PUBLISHED BY THE INTERNATIONAL COSTUMERS' GUILD, INC.

VOLUME II, ISSUE 2 - MARCH/APRIL 2003

The International Costumers' Guild, Inc. (ICG), is an affiliation of amateur, hobbyist, and professional costumers dedicated to the promotion and education of costuming as an art form in all its aspects.

FROM THE EDITOR

We're rolling down to the home stretch, with a little over a month to go before Costume-Con 21 and the Annual Meeting. Just a reminder: You do not have to be a member of Costume-Con 21 to participate in the meeting.

We've published a lot of information so far on the changes we're planning to discuss during the meeting and we're not done yet. **Your opinion matters.** This newsletter is set to become a standard benefit of ICG membership, with either a bi-monthly or quarterly schedule. It's just one of the substantial changes proposed to change the way we operate. If you don't plan to attend the meeting on Monday, April 21st, we strongly encourage you to send your proxy to your Board representative.

A word about the sample Membership Form, included in this issue: There are prices listed for membership that have **NOT** been authorized. This is a **draft example** of what the form **might** look like if we approve it. The final version will be placed on the ICG web site and will be sent to all chapters if and when it has been adopted at the Annual Meeting. Same goes for the Membership Card. In other words, **DON'T PANIC!**

If you have any questions about the items published in this newsletter, we encourage you to write or call us and ask. You can reach us between 9am and 9pm ET.

We welcome your questions, suggestions, comments, articles, and artwork. We will try to include them in an upcoming issue of *The ICG Newsletter*. We can accept articles in text, RTF, M\$ Word or Corel WordPerfect format by email, or hard copy if absolutely necessary. Please send them by snail mail or email your comments to: newsletter@costume.org. Contact us first before sending attachments in email - we're sensitive to viruses!

See you in April!

ICG ANNUAL MEETING

The next ICG Annual Meeting will take place Monday, April 21, 2003 at Costume-Con 21, April 18-21, 2003, (Easter Weekend), at the Doubletree Northshore Hotel in Skokie, Illinois (near Chicago). You do not have to be a member of CC21 to attend the meeting, but you do have to be an ICG member in good standing to vote.

See CC21's web site at www.jennifarse.com/cc2003/ for more information about purchasing memberships.

ICG BOARD NOMINATIONS

Nominations for Officers of the Corporation must be made in writing at least 30 days in advance of the annual meeting (**deadline: March 21, 2003**). It is customary for the President of the Corporation to have served at least one turn as a local chapter president prior to nomination.

SUMMARY OF PROPOSALS PREVIOUSLY

PUBLISHED In Volume I, Issue 2, we printed the first five of eight preliminary proposals, which have been under discussion since July 2002. In Volume II, Issue 1, we published the remaining three preliminary proposals.

All eight proposed changes, in a final format to be provided by Pierre Pettinger, ICG Parliamentarian, will be brought before the ICG Annual Meeting this April. A summary of these proposals is below, with comments in >> brackets <<:

1: Amending the dues renewal date
and

2. Adoption of a standard ICG Membership Application

>> These motions create a standardized membership form and redefine the beginning and ending date of memberships so that they are identical throughout the Guild <<

3: Adoption of the ICG Membership Card

>> Adopts a membership card, possibly to be distributed annually with a reminder that memberships are expiring. This card may be used in conjunction with the ICG Membership Application. <<

4: Creating the position of Membership Coordinator

>> This motion establishes a Membership Coordinator, which would be required if we pass 5c. However, if we pass 5a or 5b, this motion can still be passed. The MC would not then, however, be directly in the loop of applications and dues. <<

5: Modifying Standing Rule 5 (Membership Processing)

>> This Motion, with three variations, redefines the method by which memberships are received by the ICG. 5a effectively puts the responsibility for collecting applications and dues on the chapter treasurers. 5b puts the responsibilities on the Corporation Treasurer.

5c is slightly different. Chapter treasurers collect applications and monies, but a Membership Coordinator receives them and is responsible for processing. All three define specific dates for reports and the specific expiration date of memberships.

At the meeting, we will probably try to get a consensus of which of these options is preferred by using a Committee of the Whole. This will be a bit more efficient than a strict meeting protocol. <<

6: Increasing domestic ICG Membership Rates and setting International ICG Membership Rates to cover *The ICG Newsletter/ICG Annual*

>> This motion raises the dues paid by members of the ICG, to cover the additional cost of publications to be sent to all members. There are two possible versions of this motion, with different rates depending on the preference for five issues of *The ICG Newsletter* and one Annual per year or for six issues of *The ICG Newsletter* per year.

The difference between these two versions is obvious. The motion also institutes an "international rate" for members who do not reside in the US. An alternative would be to publish *The ICG Newsletter* on a quarterly schedule, and to substitute one of the four issues with an Annual.

One more option which has not been written could simply define non-US membership rates. <<

SUMMARY OF MOTIONS PREVIOUSLY PUBLISHED CONTINUED

7: Setting a Household Membership Rate for the ICG

>> Allows individuals in the same household to vote without receiving extra copies of publications. <<

8: Ceasing publication of *Costumer's Quarterly (CQ)*

>> These motions are two variations which functionally replace the Quarterly with a newsletter.

Note that passage of either Motion 6 or Motion 8 would require a considerable number of bookkeeping adjustments to the Standing Rules. We have several options (to be done by the Board after the meeting):

1. Change each reference of the Quarterly to Newsletter
2. Leave the Standing Rules regarding the Quarterly as they are and add a reference "deactivating" them, then add new Standing Rules defining the Newsletter
3. Adjust the relevant rules to allow, simply, the production of publications in general and allow the definitions of those publications to be defined solely by motions at the meetings. <<

A reminder! Please note that none of the wording in these proposals is final. Final motions will be made at the ICG meeting in Chicago. Please be sure to visit the online survey to express your opinions before the meeting. The URL for the survey can be found on page 1 of this newsletter.

MASQUERADE GUIDELINES REVISION PROPOSAL

BY ANDREW TREMBLEY, GBACG

Over the summer, a small group of ICG members from across the country formed an ad-hoc committee and developed a draft to replace the current ICG Masquerade Guidelines. The purpose of this proposal is threefold:

1. To focus on and emphasize fairness in competition
2. To reduce the possibility for conflicting interpretations
3. To reduce the risk that the guidelines will be read as 'rules'

We plan to introduce the guidelines at the general meeting, and move to:

- a. Appoint a guidelines committee;
- b. Assign a 2-month period for collection of comments by chapter representatives;
- c. Submit the comments to the guidelines committee for consideration in a final revision;
- d. After revision submit the final draft to the board for distribution to the membership and further comments (2-month period, again); and,
- e. Bring the final guidelines draft to a vote before the board.

Please take the time to visit www.bovil.com/icg and review the committee's working documents.
